```python
1  import time
2  import sys
3
4  def loadingAnimation():
5      for seconds in range(0, 3):
6          print(f"Loading Data{'.' * (seconds + 1)}    "
   , end = " ")
7          time.sleep(1)
```
